

FRIDAY 30th NOVEMBER 2018

Edition 4

Supporting Success

Our Supporting Success Evening took place this week for parents/carers of Year 9 students. The evening is designed to provide information about GCSEs and our approach to learning and revision. You can find the presentation [here](#).

We've also put together some [frequently asked questions](#) for Year 9 parents/carers which we hope will support you to gain a better understanding of the transition from Key Stage 3 to 4 and learning at GCSE level.

Something to shout about!

A massive well done to our under 13's girls' football team who competed in a tournament at Barnsley FC this week, finishing top of their league with 10 points!

Unbeaten in their league games, they reached the semi final, in which they hit the crossbar and post several times, but unfortunately lost in a penalty shoot out.

Well done Georgina Wainwright, Alexa Wainwright, Evie Parkin, Lauren Bragan, Eliza Bridges, Emma Birkinshaw, Millie Wilson and Yasmin Oliver.....you played exceptionally well and we're proud of you!

Fancy trying something new?

We offer a wide range of extra curricular activities for all students across Key Stages 3 and 4. Activities take place after school (approximately 2.45 – 4pm), across most subject areas, from sporting opportunities, to performing arts and ICT clubs, as well as study clubs for Year 11....there's something for everyone! Find out more [here](#).

The team will take part in a gifted and talented afternoon next month to commend their outstanding commitment to the club. Well done!
