

FRIDAY 11<sup>TH</sup> JANUARY 2019

Edition 8

### Happy new year!

Welcome back! We hope you've managed to have a relaxing festive break and feel rested and ready to take on the new year!

### New year's resolution?...

It's that time of year again when we resolve to make positive changes and then struggle to keep them! With this in mind, Change4Life have come up with some ideas on how to cut down on sugar by making a couple of everyday swaps ...Find out more [here](#).

...We can still admire it though can't we?!? So check out these wonderful drawings, courtesy of Mrs Fozard's Year 9 students, as part of their food topic!

### A great week for netball!

Our netball teams in Years 7 to 9 played against Crofton Academy this week, with great success!

This week was actually Year 7's first netball match and despite feeling very nervous, they played really well and secured a 7-1 win! Year 8, who remain unbeaten this year, won 9-2, and Year 9, also unbeaten this year, won 11-4!

Well done to you all, we're proud of you!!

### Revision tips!

Next week, we'll be launching our *5 revision strategies* video, following on from the revision leaflet you will have received.... so keep your eyes peeled!

### Dates for your diary...

Keep your diary up to date with help from our [online calendar](#).

### Apprenticeship opportunity....

Earnshaws Wood Mill in Netherton is looking to recruit up to four carpenters / joiners and, as such, they'd like to visit us to deliver a presentation on Monday 21 January at 2.45pm in the LRC.

If you're in Year 11 and you're interested in attending, please visit the LRC to add your name to the list.

### Vacancy...

Our Accord Multi Academy Trust is hiring!...This time to the post of ICT Technician. Find out more [here](#).

### Stay safe online....

Can you spot a genuine article from a hoax?? National Online Safety have put together a [useful guide](#) to help us to distinguish between real news and 'fake news' which can be false information created to confuse or misinform, or genuine information that has been manipulated to deceive.
